DATE : August 15, 1979

TO : Ken Hunich, Tom Rockey, Walt Sickler and Del Young

FROM : Pete Henault (Sgd.) Pete Henault

SUBJECT : Proposed DOT Rules Governing the Transportation of Hazardous Materials (PCBs)

For your information, attached is a copy of the proposed new federal Department of Transportation (DOT) rules governing the transportation of hazardous materials. These rules would include PCBs for the first time in the group of hazardous materials regulated by the DOT. It does not appear that these regulations would significantly change City Light's procedures regarding the transportation of PCBs.
